previous Premier Edition
plane)

Example of restored 1980 Dakota

RENOVATION: EXTERIOR

Included in your 2017 restoration of the Premier Edition Piper Dakota is labor and materials to remove all flight controls, chemically strip the airplane, sand and grind all aluminum and steel parts, acid etching, alodining, epoxy priming and sanding, repairing all fiberglass and plastic pieces on the airplane and epoxy surface priming. The base coat applied is Matterhorn White and buyer custom-selects their choice of exterior stripes as available in the 2016 Piper Archer DX brochure. In addition, this airplane is delivered with new stainless steel hardware.

Example of restored Dakota

RENOVATION: INTERIOR

Like the exterior, the interior is stripped bare of the instrument panel, seats, side panels, headliner and carpet. All-new avionics are installed per your unique specifications. You have a choice of interior color schemes and will customize to your taste.

ABOUT US

Fred Ahles, President
Premier Aircraft Sales
(954) 771-0411 (office)
(954) 328-9280 (cell)
fred.ahles@flypas.com
www.flypas.com

Premier Aircraft Sales is a leader in the sale and brokerage of personally-flown aircraft. Since our founding in 2003 we've sold 1,400 new and pre-owned Mooney, Diamond, Piper, Beechcraft, Cessna, Cirrus, TBM and Pilatus aircraft. If we don't have the perfect aircraft in stock, we will locate it within our worldwide network of inventory providers.

MAINTENANCE SERVICES

Premier Aircraft Service is an authorized service center for Cessna, Diamond, Mooney, Lycoming and Centurion-Continental. In addition, we have extensive experience with Piper, Cirrus and Beechcraft. We are an FAA Part 145 repair station with 12 technicians trained to service both piston and turbine aircraft. To discuss your maintenance, repair or retrofit needs contact:

MISSION STATEMENT

We are a high integrity company, devoted to our customers, our partners, and our employees. Our mission is to be the national leader in sales of high-quality, personally flown aircraft. We intend to reach our sales goal, in part, by being the best customer service company in the industry.
